Authors Guide for Early Career Researcher's (ECR) Session (For on-site participants only)

Interactive poster session called **Early Career Researcher's (ECR) Session** will provide you a valuable opportunity presenting your work and discussing new ideas with your peers on **November 21, 2021**. We particularly encourage your contributions that take advantage of the nature of the ECR poster space and session to present and raise awareness of the work in effective and interactive ways. We will prepare to take necessary measures for preventing infections by COVID-19.

POSTER SIZE AND FORMAT

The posters themselves have no predefined formatting. The authors of ECR Poster papers are encouraged to include a draft or sketch of the poster layout and content in their submission to show that the poster format is being used effectively. Authors of accepted papers are requested to bring an explanatory HARDCOPY poster for display at the ECR session during IEEE ICSJ2021. The posters dimensions should not exceed A0 paper size (841mm x 1189mm / 33.1" x 46.8"). ONLY **PORTRAIT FORMAT** IS ACCEPTABLE. Authors should be present at their poster to discuss their work during the scheduled ECR session.

ECR SESSION AWARDS

The ICSJ2021 committee will present the ECR Session Award to the PRIMARY authors in the ECR session according to the voting results by the conference participants. Winner(s) will receive a signed certificate.
